

Eco Litter Bin 90L

This ‘eco’ bin 90 litres is manufactured from durable, British bought galvanized steel, which is expertly primed, cured and powder coated to offer a superior durability and excellent corrosion resistance. A 5mm heavy duty steel base provides a sturdy bottom to the bin, which comes pre-drilled for ground fixing. The bin can be securely fixed using rawl bolts or alternatively can be secured with a ground anchor in freshly laid concrete.

Dimensions

| Capacity  | Height | Width | Depth | Weight |
|-----------|--------|-------|-------|--------|
| 90 litres | 955mm  | 485mm | 334mm | 34kg   |

10 Year Anti-Perforation Warranty

Our Galvanized steel products feature a 10 year anti-perforation warranty as standard. This guarantees the surface of our products from rusting through completely.
