

Open Front Cycle Shelter

This is our range of cycle shelter form 4 bikes to 20 bikes, ideal for when quality needs to be high and budgets are low. Our most popular shelter, manufactured from 50mm x 50mm steel strongbox section. This unit has a choice of 3mm or 5mm high quality Pet-G UV2 Roof/Back sheeting, and an option to choose end panels for improved weather protection. Your choice of either above or below ground fixing is available at no extra cost. A number of finish options allows you to match this shelter to your needs and budget.
