

Traditional Seat & Bench

The Traditional Bench & Seat is a timeless, traditionally-styled seating option perfect for any public area, parks, gardens, and town centres. This heavy-duty hardwood bench combines elegance, comfort, and durability to enhance outdoor spaces while providing a sturdy seating solution that will last for years.

The Traditional Seat is available in multiple design configurations, allowing you to tailor the bench to suit your space and needs. Choose between flat or roll arms, and flat or arched backrest to create the perfect combination of style and comfort.

Key Features:

- High-quality seasoned timber carefully selected to be free from knots, shakes and blemishes.
- Range of timber options: Iroko, oak, cedar and softwood, and reclaimed green heart timber.
- Select from two arm styles (traditional flat or roll arms) and two back rest styles (flat or arched).
- Finish options: Choose from four attractive finishes - teak, natural, mahogany and oak for a personalised touch.
- Sustainability: by choosing the traditional bench, you are supporting sustainable forestry practices, reducing waste through reclaimed timber, and investing in a product that will last for generations.
